WELCOME TO LEWISHAM PEOPLE'S DAY

Every year I am struck by the quality and the range of talent and creativity we see at Lewisham's People's Day. This year as always the choice of music, food, displays and activities means that every part of our diverse community has something to enjoy.

I am particularly grateful to London & Quadrant Housing Trust for their ongoing commitment to People's Day. I hope you have a wonderful day.

QUICK GUIDE TO THE FESTIVAL

To help you find your way around:

- have a look at the map in the centre of your programme
- speak to a steward
- visit the information point
- or just go with the flow and discover the unexpected.

People's Day gets bigger and better every year so to help you navigate the event and make the best of all it has to offer, the site has been laid out in four colour coded areas.

GREEN

For an easy start to your day, come in at the George Lane entrance, and head for **The Broadway** stage. Then pull up a chair, grab a bite of lunch and relax. Enjoy a mix of show tunes, Motown memories, rock and roll and reggae. In between acts browse around the **craft market** or find out how you can save the planet in our **Love Lewisham** area.

YELLOW

Right in the middle of the highest part of the park is the **Global Local Village Green**. Dance around the May-pole, join in the hoe-down and then cool off with a pint in the **Cake and Ale Tavern**. Family fun will be assured at **Fred's Flying Circus** – look out for his cheerful yellow and red big top. Join in the spectacular festival parade leaving this area at 4pm.

BLUE

Down by the Carswell Road entrance you'll find the **Dance for Life** stage with dancers from 8-80, or football, fitness and fun in the **Move 'n' Groove Arena**. And don't miss the excellent line up of renowned local and international performers on the **Albany** Stage.

RED

If you're looking for a high octane, adrenalin fuelled day out head to red. Take a ride on the thrilling **Flying Fox**, clamber up the **Climbing Wall** in the action packed **Youth Village**. Music lovers can take in punk, rock, indie and Ska on the **Dirty South** stage or enjoy pumping, high energy performances on the **Pride** stage. If you need a rest after all that take in a film in the **Stagestruck** cinema.
